

WEEKDAY SKIERS CLUB

Tuesday Skiing With NO Lift Lines

Want a GREAT way to get to the mountain and enjoy the camaraderie of good friends and fellow skiers?

Join us for our Tuesday outings and leave the driving to Wayne

Eight trips are scheduled over the first ten Tuesdays of the New Year.

How much does it cost, you ask? When you think of the toll on your vehicle, gas, tolls, and having to drive home after that awesome day of skiing, the cost can't be beat.

Full Membership (all 8 trips) fee is \$300, if paid in full by December 1st. After December 1st, the fee goes up to \$350.

Half Membership (any 4 trips) fee is \$175, if paid in full by December 1st. After December 1st, the fee goes up to \$200.

Elk Only Membership (3 trips) fee is \$150 and only available until December 1st and paid in full.

Walk-Ons are always welcome at \$55 each trip. First time ever with us – try us for \$52.

ALL fees include bus driver tip.

Group rate lift tickets are extra and vary at each mountain – senior rates for those eligible. Rentals are at group rate, also.
